SRA’s Photo Library helps visual learners build vocabulary and oral language skills using original photographs. Each photo is identified in eleven key languages, including English, Spanish, Vietnamese, Hmong, Cantonese, Korean, Haitian Creole, Arabic, Russian, Tagalog, and Khmer.

**Vocabulary**

Reading vocabulary and translating vocabulary into speech is critical to reading achievement and is supported by the National Reading Panel research. The report, published December 2000 by The National Institute of Child Health and Human Development NIH Pub. No. 00-4754, Chapter 4, pages 4–15 supports the importance of vocabulary in reading – both in print recognition and in translation into oral language. This program implements strategies supported by the following research:
